Devon League 2000/01

Due to the Foot & Mouth crisis, the Devon League 2000/2001 had to be curtailed following the fourth event at Harcombe Forest. The positions as at that time are shown below. The committee considered that there had been insufficient events and not enough participants in each category to allow winners for the year to be decided.

The same rules apply as last year, but I might have to amend the number of counting events. To view the rules, click on [League Rules](#).
