

## TAMAR LEAGUE 2011 TO 2012

This is the 5th report from the league compiler for this new season. The first three events so far have not been well supported but the DEVON Galoppen and Yvette Baker event at Holne Moor saw a fantastic turnout. The next three events have also been fairly quiet! Cornwall's Lanhydrock venue again proved popular with over 140 people taking part. Not only that almost 100 runs were had at Polly Joke – wow!

To appear in the final tables competitors from one club must complete at least three events from their neighbouring club. While the whole number of events from the two clubs is estimated at 16 it will then be the best 9 scores [half the total +1] that count in the final table.

So nine events so far and several of the usual suspects have already managed three runs in the "other" clubs fixtures – in fact have run in all nine events – well done!

Event officials are credited with their average score for each time they help out the event – if they manage a run then that score is used. Some officials have been so busy with their duties that they haven't managed a competitive run yet. I have given them a nominal 500 points to get them onto the lists but I expect they'll improve on that as the season progresses. Each average will be re-assessed at each calculation.
